Joan,

I placed all the emails, Tier IIs, MSDS sheets, Hot site reports, articles etc. on the M drive under APPs, EPCRA Programs, Inspections and Investigations, "Freedom Industries, J. Kilpatrick".

To answer your questions from your phone call to me:

I had to search all MSDS on-line with the exception of the Eastman MSDS on Crude MCHM which was on the WV website. The 6 yrs. Of Tier IIs were emailed to me by Melissa Buckley the WV SERC EPCRA coordinator and they were also on their website for about 24 hrs.. I also did requests the other MSDS sheets from her but she did not respond. At the time of my calls they seemed extremely busy
